THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 92-103-C - ORDER NO. 92-230
MARCH 30, 1992

IN RE: Application of Advanced Telecommuni-) ORDER APPROVING
cations Corporation for Approval of) TARIFF AS MODIFIED
Revisions to its SCPSC Tariff No. 1.) AND CLOSING DOCKET

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a tariff filing by Advanced Telecommunications Corporation (ATC) on January 14, 1992. The purpose of the filing was to add a new competitive block-of-time calling product called RingAmerica; add Association/Alumni Saver and Fundraiser programs; add an introductory offer for new customers of OnLine Card service; and make a miscellaneous text change.

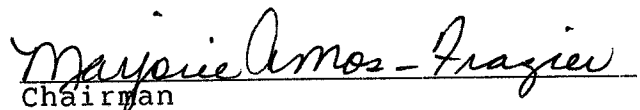

The matter was duly notice to the public, and a Petition to Intervene was filed on behalf of Steven W. Hamm, Consumer Advocate for the State of South Carolina (the Consumer Advocate).

Thereafter, the Company and the Consumer Advocate filed letters with the Commission indicating that ATC and the Consumer Advocate had agreed that ATC would withdraw the portion of its proposed tariff filing dealing with the provision of Association/Alumni Saver and Fundraiser programs. Based on the withdrawal of that portion of the tariff filing, the Consumer

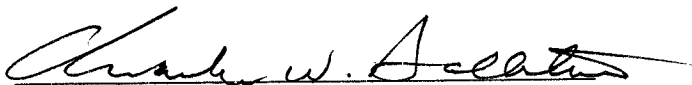

Advocate agreed not to participate in any hearing scheduled to consider the other matters in the Company's tariff filing.

In light of the Consumer Advocate's and ATC's agreement and the Commission's review of the remaining portions of the Company filing, the Commission has determined that a hearing in above-referenced matter is no longer required. The Commission has also determined that the remaining provisions of the Company's proposed filing should be approved and that the Company should file revised tariffs based on the Commission's modifications herein. With the approval of this tariff filing as modified, the instant Docket is hereby closed.
